

## Contributions

ABHIJITH UDAYAKUMAR: Worked on task delivery, helped everyone on integrating their code into a complete project.

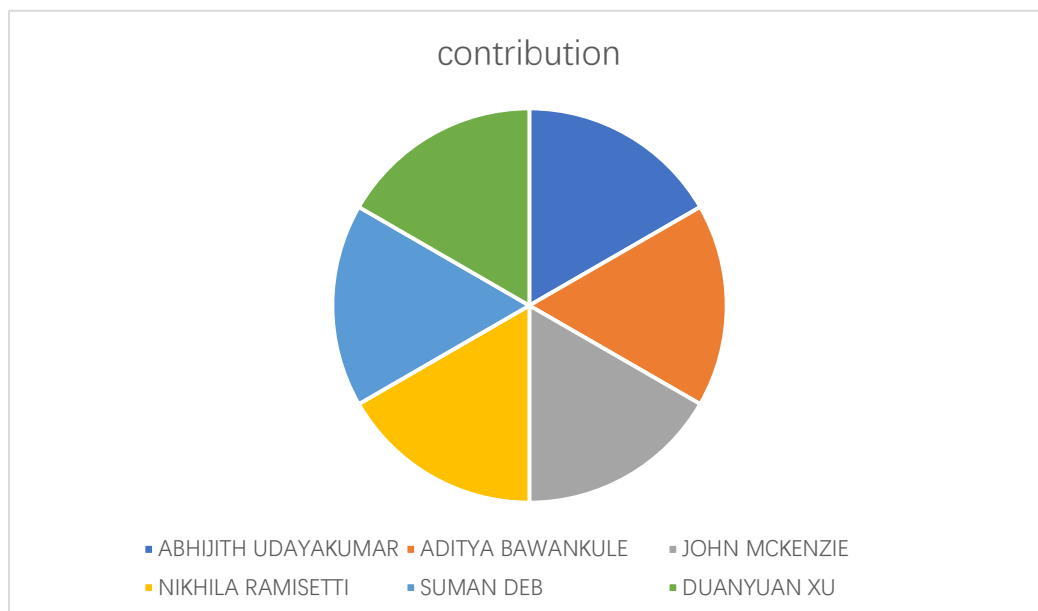

ADITYA BAWANKULE: Worked on testing the agent with multiple obstacles and maps.

JOHN MCKENZIE: Worked on exploration and helped Nikhila with Agent communications.

NIKHILA RAMISETTI: Worked on agent communication and modified the Java files accordingly.

SUMAN DEB: Worked on agent movement. With two coordinates, the agent was able to move to that part, and if an obstacle was on the path, the agent moves around it.

DUANYUAN XU: Worked on exploration and obstacle avoidance.  
Worked on the report.
